Sir:

Submitted herewith is a listing of documents known to Applicant and/or their attorney in compliance with the requirements of 37 C.F.R. § 1.56. Some of these documents were cited in the Search Report for corresponding international application no. PCT/US05/001687 mailed June 10, 2005. Copies of the listed documents (with the exception of US patent references) are also enclosed.

In accordance with 37 C.F.R. § 1.98(a)(3), Applicants undersigned attorney submits the following concise explanation of the relevance of the non-English language documents cited on the accompanying form:

HÄGER et al.

~~10/544,041~~

Reference B1, published German patent application DE 100 54 859, describes a laser-welding method for bonding pigmented thermoplastic parts, e.g., for vehicle parts, machine housings or packaging. The method used one laser-transparent colored part and one laser-absorbing part with the same color. An English language abstract of this reference is enclosed herewith and cited on the accompanying list of references as document C2.

Applicant does not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the present application. This statement should not be construed as a representation that more material information does not exist or that an exhaustive search of the relevant art has been made.

Consideration of the cited documents and making the same of record in the prosecution of the above-captioned application are respectfully requested.

Applicant does not believe any fees are due for the submission of this Information Disclosure Statement. However, the Commissioner is hereby authorized to charge any fee deficiency or credit any overpayment to our Deposit Account No. 06-1135 under Order No. 7601/84395.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
